## DEMOCRATIC PAPER DENOUNCES NEWLANDS FOR DOUBLE CROSSING

Under the head of "Newlands Al-

ready Defeated," the Ely Expositor

indulges in the following reflections:

"In a recent issue the Reno Ga-

zette states that J. M. Benton has

received a wire from Senators New-

lands and Pittman informing him that

he had been appointed deputy inter-

nal revenue collector in the income

tax department. Benton is one of

those alleged Reno Democrats who

fought the Democratic ticket so vin-

dictively in the campaign of 1910,

doing much of the dirty work in that

campaign, his particular job being

to circulate vile lies about the can-

didates, one of whom so slandered was

Senator Pittman.

"In several recent campaigns he

has been one of the insignificant but

noisy cogs in the bipartisan machine

that knifed in the dark the more re-

putable candidates on both tickets,

as per orders from the old Southern

Pacific political headquarters in this

State, now said to be closed, though

the rumor is doubted. It is also cur-

rently reported that his private busi-

ness record is not without blemish;

that some years since he became in-

volved in financial difficulties with

the Wells Fargo Express Company

and was saved from telling in court

what he did with it by relatives, who

made good the shortage.

"It is inconceivable that Senator

Pittman joined in recommending such

a man for a federal position—the Ex-

positor doesn't believe he did it. On

the deplorable other hand, it is very

probable that Senator Newlands did

recommend him, for it is quite cer-

tain that his endorsement secured

Fred White the Reno postmaster-

ship, as it is probable that Senator

Pittman would not interfere with a

Newlands home town appointment.

This is not intimating that White

and Benton are of the same man

type, though politically they have

trained together, followed the bi-par-

tisan machine which Newlands first

conceived, helped to construct and

of which he has always been the Dem-

ocratic boss, sharing authority and

benefits with whoever has been for

the time the representative of the

Southern Pacific in the unholy combi-

nation. 'Billy' Woodburn, who is said

to be slated for the United States

attorneyship, is one of the same

bunch, tarred with the same stick,

and has been one of the chief local

beneficiaries of the system, having

secured his present place, county at-

torney, without opposition at either

primary or general election, as a re-

sult of the distribution of offices

made by the bipartisan bosses.

"The aggregate of these straws

indicate quite clearly that Newlands

is throwing all the federal patronage

possible to these double-crossing

Democrats, and thus far has made it

appear that Pittman has acquiesced

in this betrayal of the Democratic

party, of which charge Mr. Pittman

doubtless can and will clear himself

when the proper time arrives. It is

also quite visible to the naked eye

of a man up a tree that Newlands

recognizes the conspicuous fact that

## CLOSE THE YARD AGAINST MORBIDLY CURIOUS VISITORS

POLICE MUSEUM NOT TO BE

OPEN TO INSPECTION OF

STRANGERS

(By Associated Press.)

LONDON, March 24.—Because it

was becoming as great an attraction

for the morbid as the Paris morgue,

the criminal museum of Scotland

Yard has been practically closed to

all except those who can show some

good reason for desiring to visit it.

The museum has never been opened

to the general public, but it has not

been difficult to obtain admission.

Now a permit must be secured from

the second commissioner of police,

and the visits can only be made on

one of two days in the week.

During the past year it became

quite the rage for society women to

obtain permits to view the grow-

some relics which the place contains,

and complaint was made that the mu-

seum was being turned into a side-

show for the gratification of the mor-

bidly curious. Some of the relics are

decidedly ghastly, and these are dis-

played with a lack of reserve which

according to the Scotland Yard au-

thorities did not make fixed parties

of visitors desirable. Besides the im-

plements used in the commission of

famous crimes, perhaps the most in-

teresting exhibits in the place are

death masks, formerly made of every

criminal executed in England.

BIG AVERY TRACTOR IS

MAKING SUCCESSFUL TRIP

The big Avery tractor which left

here with five wagons loaded with 14

tons of freight for Paradise valley

Saturday arrived at Toll House last

night and is scheduled to arrive at

Paradise early tomorrow forenoon. It

is said the tractor had little trouble

in making the run to Toll House and

as that is the worst part of the road

the balance of the trip will doubt-

less be made with ease. The origi-

nal intention was to make the trip

in two days, but owing to the fact

that three of the wagons in the train

were new ones some delay was

caused the first day out by the jour-

nals running hot and causing the

wheels to stick.—Humboldt Star.
